

# A BRISTOL MURMURATION

1000 Starlings will be massing on Durdam Downs this October. Bristol residents of all ages have sculpted a bird for this stunning art installation in response to the fall in Starling numbers.

Make your own flapping Starling, by using this stencil and attaching it to the top of a stick. Bring it along to the procession: 10am Sat 17th Oct from the Cafe on the Commons, around the edge of Durdham Downs.

1. Decorate your starling
2. Cut around the two shapes
3. Fold along the dotted lines and attach the wings to the body.
4. Attach your starling onto a stick.
